WHEREAS, the Manufacturers, TRUST COMPANY FOR USL, INC., not in its individual capacity but solely as Trustee (the "Trustee-Vendee") under a Trust Agreement dated as of July 1, 1971 (the "Trust Agreement"), UNITED STATES LEASING INTERNATIONAL, INC., a California corporation, as Agent for the Trustee-Vendee (the "Agent") and CHICAGO, MILWAUKEE, ST. PAUL AND PACIFIC RAILROAD COMPANY, a Wisconsin corporation (the "Guarantor"), have entered into a Conditional Sale Agreement dated as of July 1, 1971, (the "Conditional Sale Agreement"), covering the construction, sale and delivery on the conditions therein set forth, by the Manufacturers and the purchase by the Trustee-Vendee of the railroad equipment described in Schedules A-1 and A-2 to the Conditional Sale Agreement (collectively the "Equipment" and individually "Items of Equipment") and including the unconditional guaranty by the Guarantor of all obligations of the Trustee-Vendee under the Conditional Sale Agreement.

NOW, THEREFORE, THIS AGREEMENT AND ASSIGNMENT (the "Assignment"),

W I T N E S S E T H:

That, in consideration of the sum of One Dollar (\$1.00) and other good and valuable consideration paid by the Assignee to the Manufacturers, the receipt of which is hereby acknowledged, as well as of the mutual covenants herein contained:

Section 1. Each of the Manufacturers hereby assigns, transfers and sets over unto the Assignee, its successors and assigns:

(a) All the right, title and interest of such Manufacturer in and to each Item of Equipment to be built by it when and as delivered and accepted and upon payment by the Assignee to such Manufacturer of the amount required to be paid under Section 5 hereof with respect thereto;

(b) All the right, title and interest of such Manufacturer in and to the Conditional Sale Agreement (except the right to construct and deliver the various Items of Equipment to be built by it and the right to receive the payments specified in subparagraph (a) of Section 3.3 thereof and in Section 13.7 thereof and reimbursement for taxes paid or incurred by the Manufacturer and the right to indemnity from the Guarantor for claims arising against Gunderson, Inc. and Pacific Car and Foundry Company as provided in Sections 11.1 and 12 thereof), and in and to any and all amounts which may be or become due or owing to the Manufacturer under the Conditional Sale Agreement on account of the indebtedness in respect of the Purchase Price (as defined in the Conditional Sale Agreement) of the Equipment and interest thereon, and in and to any other sums becoming due from the Trustee-Vendee or the Guarantor under the Conditional Sale Agreement, other than those hereinabove excluded; and

(c) Except as limited above in subparagraph (b) hereof, all of such Manufacturer's rights, powers, privileges and remedies under the Conditional Sale Agreement;

without any recourse, however, against such Manufacturer for or on account of the failure of the Trustee-Vendee or the Guarantor to make any of the payments provided for in, or otherwise to comply with, any of the provisions of the Conditional Sale Agreement; provided, however, that this Assignment shall not subject the Assignee to, or transfer, or pass, or in any way affect or modify, the obligations of such Manufacturer to deliver the various Items of Equipment to be built by it in accordance with the Conditional Sale Agreement or with respect to its warranties and agreements contained in Section 11.3, 12 and 13.5 (with respect to marking) of the Conditional Sale Agreement or relieve the Trustee-Vendee or the Guarantor from their respective obligations to such Manufacturer under Sections 2, 11, 12 and 13 of the Conditional Sale Agreement, it being understood and agreed that, notwithstanding this Assignment, or any subsequent assignment pursuant to the provisions of Section 13.5 of the Conditional Sale Agreement, all obligations of such Manufacturer to the Trustee-Vendee shall be and remain enforceable by the Trustee-Vendee, its successors and assigns, against and only against such Manufacturer. In furtherance of the foregoing assignment and transfer, such Manufacturer hereby authorizes and empowers the Assignee in the Assignee's own name, or in the name of the Assignee's nominee, or in the name of and as attorney, hereby irrevocably constituted, for such Manufacturer to ask, demand, sue for, collect, receive and enforce any

and all sums to which the Assignee is or may become entitled under this Assignment and compliance by the Trustee-Vendee and the Guarantor with the terms and agreements on their parts to be performed under the Conditional Sale Agreement, but at the expense and liability and for the sole benefit of the Assignee.

Section 2. Each of the Manufacturers covenants and agrees that it will construct and deliver the various Items of Equipment to be built by it to the Trustee-Vendee, in accordance with the provisions of the Conditional Sale Agreement, and that, notwithstanding this Assignment, it will perform and fully comply with each and all of the covenants and conditions of the Conditional Sale Agreement set forth to be performed and complied with by such Manufacturer. Each Manufacturer further covenants and agrees that it will warrant to the Assignee and the Trustee-Vendee that at the time of delivery of each Item of Equipment to be built by it to the Trustee-Vendee under the Conditional Sale Agreement it had legal title to such Item and good and lawful right to sell such Item and the title to such Item was free of all claims, liens and encumbrances of any nature except only the rights of the Trustee-Vendee under the Conditional Sale Agreement and the rights of the Guarantor under the Lease (as defined in the Conditional Sale Agreement); and each Manufacturer further covenants and agrees that it will defend the title to such Item built by it against the demands of all persons whomsoever based on claims originating prior to said delivery of such Item by such Manufacturer to the Trustee-Vendee; all subject, however, to the provisions of the Conditional Sale Agreement and the rights of the Trustee-Vendee thereunder and the Guarantor under the lease.

Each of the Manufacturers covenants and agrees with the Assignee that in any suit, proceeding or action brought by the Assignee under the Conditional Sale Agreement for any installment of, or interest on, indebtedness in respect of the Purchase Price of the Equipment or to enforce any provision of the Conditional Sale Agreement, such Manufacturer will indemnify, protect and hold harmless the Assignee from and against all expense, loss or damage suffered by reason of any defense, set-off, counterclaim or recoupment whatsoever of the Trustee-Vendee arising out of a breach by such Manufacturer of any obligation with respect to the Equipment or the manufacture, construction, delivery or warranty thereof, or under Sections 11 and 12 of the Conditional Sale Agreement, or by reason of any defense, set-off, counterclaim or recoupment whatsoever arising by reason of any other indebtedness

or liability at any time owing to the Trustee-Vendee or the Guarantor by such Manufacturer. Any and all such obligations shall be and remain enforceable by the Trustee-Vendee or the Guarantor against and only against such Manufacturer and shall not be enforceable against the Assignee or any party or parties in whom title to the Equipment or any unit thereof or any of the rights of such Manufacturer under the Conditional Sale Agreement shall vest by reason of this Assignment or of successive assignments. The Assignee will give notice to such Manufacturer of any suit, proceeding or action by the Assignee herein described.

Except in cases of designs specified by the Trustee-Vendee or the Guarantor and not developed or purported to be developed by such Manufacturer, and articles and materials specified by the Trustee-Vendee and the Guarantor and not manufactured by such Manufacturer, each Manufacturer agrees to indemnify, protect and hold harmless the Assignee from and against any and all liability, claims, demands, costs, charges and expenses, including reasonable royalty payments and counsel fees, in any manner imposed upon or accruing against the Assignee or its assigns because of the use in or about the Equipment, or any Item thereof, of any design, article or material infringing or claimed to infringe on any patent or other right.

Each of the Manufacturers agrees that any amount payable to it by the Trustee-Vendee or the Guarantor, whether pursuant to the Conditional Sale Agreement or otherwise, not hereby assigned to the Assignee, shall not be secured by any lien or charge on any Items of the Equipment.

Section 3. Each of the Manufacturers will cause to be plainly, distinctly, permanently and conspicuously marked by a plate or stencil in contrasting color on each side of each Item of Equipment, at the time of delivery thereof to the Trustee-Vendee, in letters not less than one inch in height the following legend:

"Leased through United States Leasing International, Inc., as Agent for Trustee-Vendee, and subject to a Security Interest recorded with I.C.C."

Section 4. Upon request of the Assignee, its successors and assigns, each of the Manufacturers will execute and record all instruments which may be necessary or proper in order to discharge

of record the Conditional Sale Agreement or any other instrument evidencing any interest of such Manufacturer therein or in the Equipment.

Section 5. The Assignee, on or before noon on each Closing Date fixed as provided in Section 3.5 of the Conditional Sale Agreement with respect to a Group (as defined in Section 3.2 of said Agreement) of Equipment, shall pay to such Manufacturer of such Group at the office of the Assignee at The First National Bank of Chicago, One First National Plaza, Chicago, Illinois 60670, Attention: Trust Department/Corporate Securities, an amount equal to that portion of the Purchase Price (as defined in Section 3.1 of said Agreement) of such Group not required to be paid pursuant to subparagraph (a) of Section 3.3 of said Agreement, provided that there shall have been delivered to the Assignee the following documents, in such number of counterparts or copies as may reasonably be requested, in form and substance satisfactory to its special counsel hereinafter mentioned:

Section 8. The terms of this Assignment and all rights and obligations hereunder shall be governed by the laws of the State of Illinois; provided, however, that the parties shall be entitled to all the rights conferred by Section 20c of the Interstate Commerce Act and such additional rights arising out of the filing, recording or depositing of the Conditional Sale Agreement and this Assignment as shall be conferred by the laws of the several jurisdictions in which the Conditional Sale Agreement or this Assignment shall be filed, recorded or deposited.
